

Upgrade to General Class!

Amateur Radio License Class Waco, TX

May 5, 2007

8:00 am to 5:00 pm (lunch provided)

HOTCOG Training Room

1514 S. New Road (see <http://hotarc.org/news> for map)

Presented by

Heart O' Texas Amateur Radio Club, Inc.

Now you're talking around town with 2 meters. Ready for more? With General Class license privileges, you can add the thrill and power of talking ***around the world!***

HOTARC members will offer a one-day, hands-on class, featuring real ham radio equipment. This fast-paced training requires that you pre-study some materials, so register early to receive your class packet today! We will prepare you to pass the General Class FCC examination (offered the following day). And, with the recent rule changes, ***Morse code is no longer required!***

\$25 covers cost of class materials, snacks, and lunch
(\$14 testing fee required to take the exam)

Register on-line at: <http://hotarc.org/news> (before Sunday April 29)

Or send email inquiries to: training@hotarc.org
